Doorways II

Doorways II is the second in the series of three exhibitions as we adjust to the new normal. *Doorways II* features works by various artists in different mediums and subject matter, each work opening up to lead us into the special vision of its creator, into the artist's unique experience of the world. You can choose to come to the gallery and view the works in a designated time slot, or we can arrange for you to see them in the privacy of your homes.

We would like to thank all our patrons and well-wishers as we travel through these strange times together, and a big thank you to all our artists, who continue to inspire awe and wonder.
